

Docket No. AUS920000753US1

ABSTRACT OF THE DISCLOSURE

CUSTOMIZING A GRAPHICAL USER INTERFACE OF A HOST
APPLICATION

5

10

A method in a data processing system for customizing a graphical user interface of an application on a data processing system is provided. A first customization format is determined. A second customization format is determined. Then customization of the graphical user interface is initiated by automatically switching between the first customization format and the second customization format.
